

# NATIONAL WESTERN STOCK SHOW & RODEO

## WHERE TO FIND IT

- **Rodeo** – All rodeos (you'll need a ticket) are in the Coliseum. Food and souvenirs are available in the building. The closest parking is in the Coliseum parking lot.
- **Horse events** – Virtually all horse events are in the Events Center. The closest lots are smaller and more expensive; try a remote lot and ride the shuttle.
- **Animals** – For a close look at livestock, visit the ground floor of the Hall of Education or the stockyards and take a barn tour.
- **Judging** – For the real business of the stock show, watch the action in the stadium or any of the auction arenas.
- **Kids** – Children's Ranchland, the rabbits and poultry area or the small farm-animal livestock section, are good places to tour.
